

DigiER: “Digital transborder Entrepreneurship Readiness”

Project 2020-1-PL01-KA226-VET-096054

NEWSLETTER 4

Start Date: 01.05.2021

End date: 30.04.2023

What have we done so far?

The partners defined the framework and the content for the development of innovative and comprehensive digital transborder entrepreneurship strategies in a business environment. Through the use of Guide chambers' employees, VET teachers, as well as entrepreneurs, will be able to implement the idea of work-based learning in their workplaces.

The content will be available in all partner's languages!

Guide on Digital transborder
Entrepreneurship strategies
in business environment

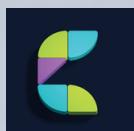

What's next?

The guide will be made available online as digital crash course in the form of an easy-to-navigate, web-based structure. Browsing through the Curriculum will be expanded by additional features improving interactivity such as searching through its content or downloading its specific parts of one's interest

DigiER mobile application for entrepreneurs

DigiER mobile app will ensure personalized training pathways by initially testing the knowledge and awareness of digital transborder entrepreneurship among entrepreneurs and startups. The DigiER mobile application will also elaborate a personalised strategy for the entrepreneurs and startups to be able to address the weak points and empower its approach to digital transborder entrepreneurship processes

The DigiER mobile application for entrepreneurs will available for  and **iOS**

Final Transnational Projects Meeting in Slovenia

Our final meeting will take place in Slovenia in April 2023
